

PROF. JEFERSON BOGO

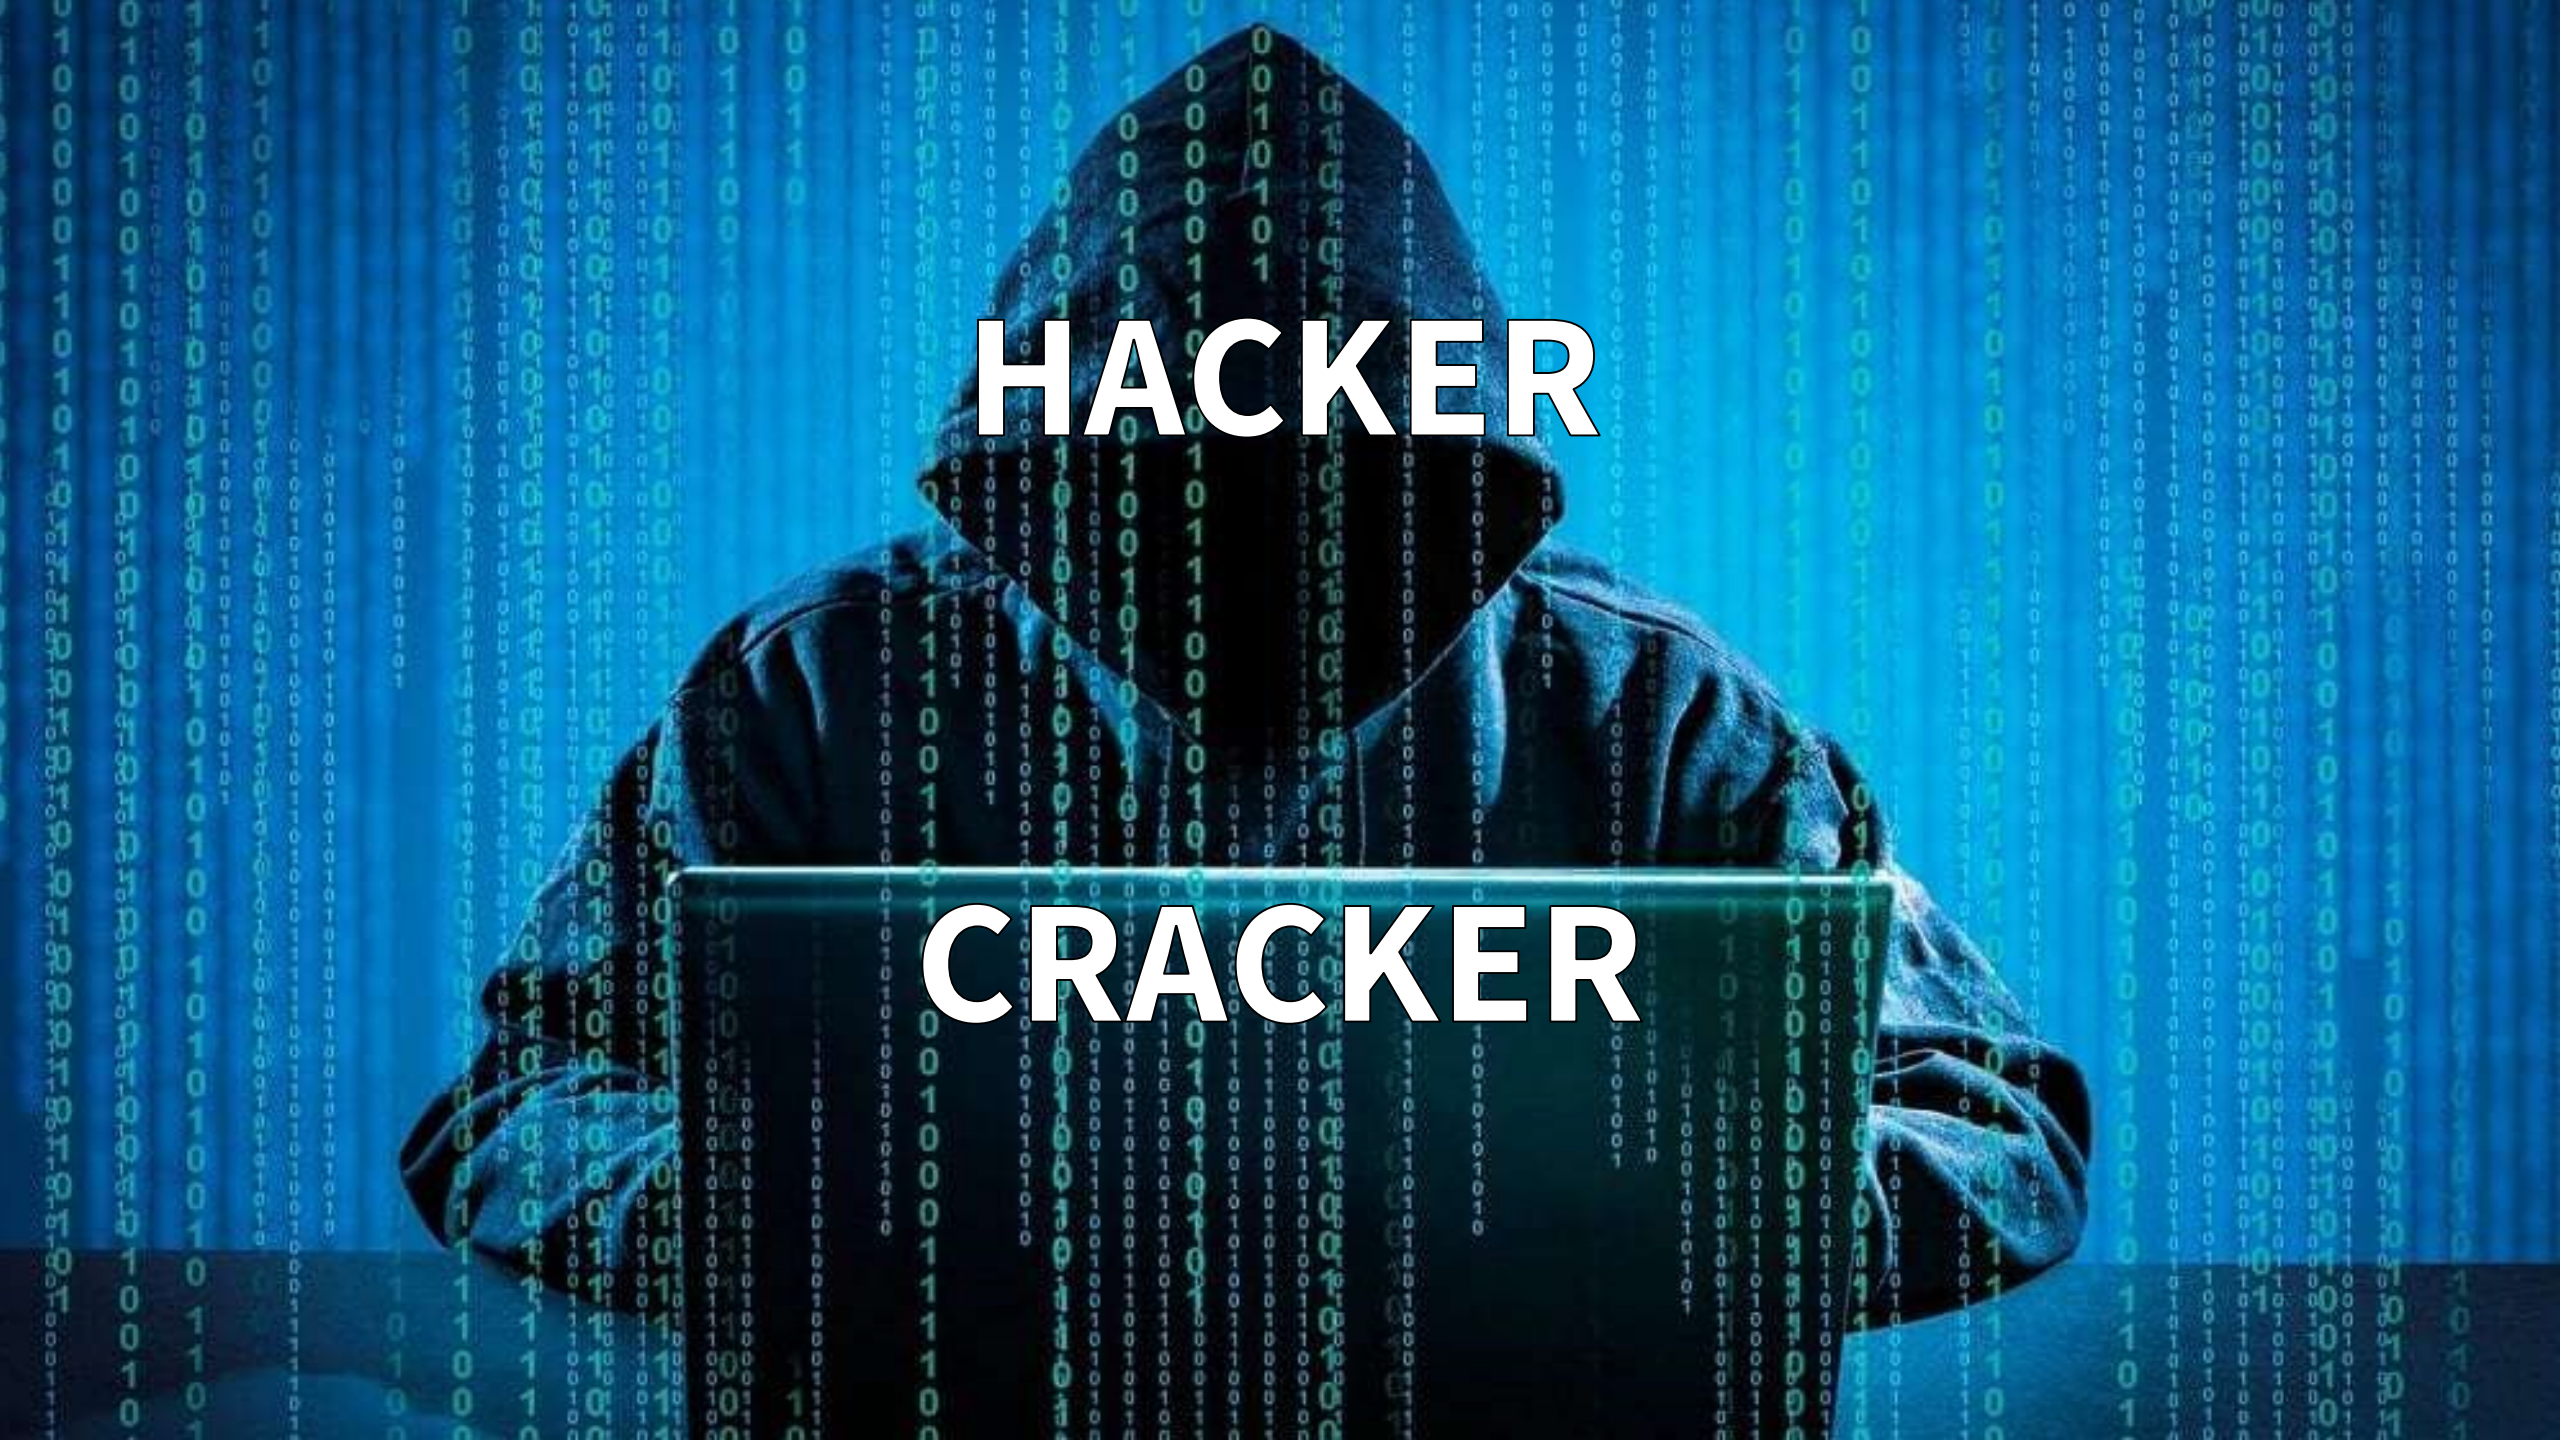

INFORMÁTICA

"Somos o que repetidamente fazemos. A excelência, portanto, não é um feito, mas um hábito."

Aristóteles

AMEAÇAS VIRTUAIS

A hooded figure, likely representing a hacker, is centered in the image. The figure is wearing a dark hoodie and is holding a glowing rectangular object, possibly a tablet or a piece of hardware. The background is a deep blue, filled with vertical columns of green binary code (0s and 1s) that appear to be scrolling or falling, reminiscent of the 'Matrix' effect. The overall atmosphere is mysterious and technological.

HACKER
