Adding a Sniffer with FMK

Disclaimer

- This is an education exercise and we do not encourage illegal behavior using Firmware Modifications
- You might brick your device if something goes wrong and **YOU WILL BE RESPONSIBLE** for this
- You are liable for your own actions

Custom Program Addition

- So many commands do not work? E.g. PWD
- How about more useful programs like Sniffers?
- Lets add custom programs!
- Exercise: Try and link them against the available libraries on the device and not statically link it
